Hapsoro Wisnu Murti
Informatics Student at UPN "Veteran" Jawa Timur

I am an undergraduate student currently studying at the Department of Informatics, UPN "Veteran" East Java. In my educational journey, I am passionate about improving my knowledge and skills in the field of technology and hope to contribute to the development of the field of information technology in the future. I have a great interest in learning data, database management and UI/UX designer and interested in developing these skills. I have experience in teamwork, public relations and leadership in campus activities.
